

Clarke College Alumni Association
P. O. Box 181, Newton, MS 39345

June 16, 2015

Greetings, Clarke College Family!

I continue to be amazed at the number of contacts I receive from persons whose parents attended Clarke College in its earliest years. Indeed, many people are interested in Clarke College!

We have a very active alumni association that continues to grow in membership. In the last 2-3 years, the association has:

- created ways to provide greater participation in the alumni association, increasing the number of officers and board members, and establishing committees to assist with numerous areas of our work
- raised \$7,000 in income
- created a permanent endowed scholarship at William Carey University in memory of Dr. and Mrs. Compere
- made a donation in memory of Juanita West for a student to attend Camp Garaywa
- continued to build a database of contact information of students, alumni, faculty and staff to facilitate class reunions
- undertook necessary renovation and repair of the Alumni House.

Concerning the Alumni House, since 2013 the Clarke College Alumni Association has:

- refurbished the outside sign and installed new exterior steel doors
- painted two rooms, installed drapes, replaced flooring in two rooms, and framed and hung pictures
- continued to work with the Central Mississippi Residential Center (CMRC), owners of the property, to do exterior repairs.

Will you consider joining the Clarke College Alumni Association to see these endeavors and more accomplished in the near future? Return the enclosed membership registration form and partner with the Clarke College family to sustain its memory for years to come. And plan to attend an alumni meeting and reunion soon. You'll be rejuvenated by the friendship, the fellowship, the joy of being together again with your fellow classmates, and the convenience of the schedule! See additional info inside about this year's reunion.

Most sincerely,

Paul Lee ('67), President
Clarke College Alumni Association
